Donations

We are pleased to report that we have received several generous donations during the past month. As usual we are encouraging donations during this difficult time. We do not expect our income to cover the costs of even these limited services.

Reopening of Chetco Activity Center

When there are significant changes in our services owing to the relaxation of the lockdown requirements we will publish them on our website.

Meanwhile the Board of Directors asks members for their patience and that you all remain safe. We will welcome you back as soon as safety concerns and regulations permit.
